

"Hey I Believe I Can Fly"

SATURDAY One Day Aviation Camp

Saturday - September 24th 9:30a.m. - 2:00 p.m.

Pierce County Airport - Puyallup, WA

In partnership with **Safety In Motion Flight Center & SpanaFlight**

"Featuring Life Skills Training and Lots of Fun Through Aviation"

About the Program

Future Aviators In America is designed to identify, motivate and direct students into successful career choices through a myriad inspirational aviation events. The Future Aviators events are designed for students from 3rd - 12th grades, each with a passion for aviation or aerospace. Each event involves the application of science, technology, engineering and math which surrounds aviation.
